## PREFACE

The present directory lists titles and addresses of the following:

(a) Competent national authorities empowered to issue certificates and authorizations for the import and export of narcotic drugs and psychotropic substances in accordance with the provisions of article 18 of the Single Convention on Narcotic Drugs of 1961 and article 16 of the Convention on Psychotropic Substances of 1971;

(b) Competent national authorities empowered to regulate or enforce national controls over precursors and essential chemicals in accordance with the provisions of article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988;

(c) Competent international bodies that might assist national competent authorities in case no national authority is listed for a given country or area or in case contact cannot be established with the listed authorities.

The directory, which is issued annually, also includes the telephone and telefacsimile numbers and email addresses, if available, of the national authorities or international bodies in question.

The titles and addresses of the national authorities are given in English, French and Spanish and are listed in English alphabetical order under the countries and areas that they serve. For ease of reference, there are indexes of the names of the countries and areas in English, French and Spanish. Names and addresses of competent international bodies that might serve as a gateway to communicating with Governments appear in English alphabetical order. For ease of reference, the names of those international bodies are included at the end of the English, French and Spanish indexes.

The designations employed and the presentation of material do not imply the expression of any opinion on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area, or any authority, or concerning the delimitation of any frontiers or boundaries.

Italics are used to indicate areas other than countries (such as territories).

Governments are requested to review the information in the present directory and to communicate any changes to the United Nations Office on Drugs and Crime.

## **Competent national authorities under article 18 of the Single Convention on Narcotic Drugs of 1961 and article 16 of the Convention on Psychotropic Substances of 1971**

The present directory lists all competent national authorities empowered to issue certificates and authorizations for the import and export of narcotic drugs and psychotropic substances in accordance with the provisions of article 18 of the Single Convention on Narcotic Drugs of 1961 and article 16 of the Convention on Psychotropic Substances of 1971.

This listing of national authorities is issued pursuant to the 1961 Convention and the 1971 Convention. It follows the practice established following the entry into force of the 1931 Convention for Limiting and Regulating the Distribution of Narcotic Drugs, which was brought under the aegis of the United Nations by the 1946 Protocol amending the latter convention. Its contents are based on data provided to the Secretary-General in the annual reports on the working of the international drug control treaties by States both parties and non-parties to the relevant treaties.

Authorities indicated in this directory under article 18 are empowered to issue import and export authorizations only for narcotic drugs.

Authorities indicated in this directory under article 16 are empowered to issue import and export authorizations only for psychotropic substances.

Authorities indicated in this directory under articles 18 and 16 are empowered to issue import and export authorizations for both narcotic drugs and psychotropic substances.

The absence of a reference to an article of these conventions before the name of an authority in this directory indicates that the Government has not specified the range of empowerment of this respective authority.

If a contact address for a country or area is not listed under the competent national authorities under article 18 of the Single Convention on Narcotic Drugs of 1961 and article 16 of the Convention on Psychotropic Substances of 1971 of the present publication, it is possible that there is a contact address for that country or area listed under the competent national authorities under article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 that may be used.

Governments are requested to review the information in this directory and to communicate any changes with regard to article 18 of the Single Convention on Narcotic Drugs of 1961 and article 16 of the Convention on Psychotropic Substances of 1971 to the United Nations Office on Drugs and Crime, Secretariat to the Governing Bodies, Vienna International Centre, P.O. Box 500, 1400 Vienna, Austria (Fax: (+43-1) 26060-5885; Email: sgb@unodc.org).

## **Competent national authorities under article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988**

The present directory also lists all competent national authorities empowered to regulate or enforce national controls over precursors and essential chemicals in accordance with the provisions of article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988.

This listing of national authorities is issued pursuant to Economic and Social Council resolution 1992/29 of 30 July 1992. Its contents are based on data provided to the International Narcotics Control Board (INCB) by Governments.

Notes verbales were transmitted by the Secretary-General to all States requesting names and addresses of competent national authorities empowered to implement the provisions of article 12 of the 1988 Convention. The national authorities that were identified by Governments in reply to those notes verbales appear in the list below without an asterisk. Authorities marked with an asterisk (\*) are those competent national authorities currently reporting to INCB under the provisions of article 12, paragraph 12, of the 1988 Convention but which were not expressly identified by Governments in reply to the notes verbales.

If a contact address for a country or area is not listed under article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 of the present publication, it is possible that there is a contact address for that country or area listed under the competent national authorities under article 18 of the Single Convention on Narcotic Drugs of 1961 and article 16 of the Convention on Psychotropic Substances of 1971 that may be used. Alternatively, the INCB secretariat or other competent international bodies may be contacted for further information. The names and addresses of those international bodies appear at the end of this directory.

Knowledge of the respective roles and responsibilities entrusted to each competent authority in relation to the implementation of specific control measures is essential if rapid and effective exchange of information between Governments is to be made possible. It should be recalled that the Economic and Social Council, in its resolution 1992/29, invited "States in which precursor and essential chemicals are manufactured and States in regions in which narcotic drugs and psychotropic substances are illicitly manufactured to establish close cooperation in order to prevent the diversion of precursor and essential chemicals into illicit channels". Furthermore, the Council urged States exporting chemicals essential to the illicit production of heroin and cocaine to ensure that the competent authorities, in considering applications for export authorizations, "take reasonable steps to verify the legitimacy of transactions, in consultation, where appropriate, with their counterparts in importing countries". Experience has shown that direct contact, where appropriate, is often the most expeditious means of identifying and stopping suspicious transactions involving scheduled substances.

Governments are requested to review the information under article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 and to communicate any changes to the United Nations Office on Drugs and Crime, Secretariat of the International Narcotics Control Board, Vienna International Centre, P.O. Box 500, 1400 Vienna, Austria (Fax: (+43-1) 26060-5867; Email: [secretariat@incb.org](mailto:secretariat@incb.org)).

## **Autorités nationales compétentes au titre de l'article 18 de la Convention unique sur les stupéfiants de 1961 et de l'article 16 de la Convention sur les substances psychotropes de 1971**

Le présent répertoire contient une liste de toutes les autorités nationales habilitées à délivrer des certificats et des autorisations pour l'importation et l'exportation de stupéfiants et de substances psychotropes, conformément aux dispositions de l'article 18 de la Convention unique sur les stupéfiants de 1961 et de l'article 16 de la Convention sur les substances psychotropes de 1971.

Cette liste est publiée en application des Conventions de 1961 et de 1971, conformément à la pratique établie après l'entrée en vigueur de la Convention pour limiter la fabrication et réglementer la distribution des stupéfiants de 1931 qui a été placée sous l'égide de l'Organisation des Nations Unies par le Protocole de 1946 amendant cette dernière convention. Cette liste a été établie à partir des données communiquées au Secrétaire général dans les rapports annuels sur le fonctionnement des traités internationaux concernant le contrôle des drogues envoyés par les États parties ou non parties auxdits traités.

Les autorités répertoriées au titre de l'article 18 ne sont habilitées qu'à délivrer des autorisations d'importation et d'exportation pour les stupéfiants.

Les autorités répertoriées au titre de l'article 16 ne sont habilitées qu'à délivrer des autorisations d'importation et d'exportation pour les substances psychotropes.

Les autorités répertoriées au titre des articles 18 et 16 sont habilitées à délivrer des autorisations d'importation et d'exportation pour les stupéfiants et pour les substances psychotropes.

L'absence de référence à un article de ces conventions avant le nom d'une autorité figurant dans ce répertoire signifie que le gouvernement n'a pas précisé le mandat de l'autorité en question.

S'il n'y a pas d'adresse de contact pour un pays, territoire ou zone dans la liste des autorités nationales compétentes au titre de l'article 18 de la Convention unique sur les stupéfiants de 1961 et de l'article 16 de la Convention sur les substances psychotropes de 1971 figurant dans la présente publication, il se peut que la liste des autorités nationales compétentes au titre de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988 contienne une adresse utilisable pour ce même pays, territoire ou zone.

Les gouvernements sont invités à vérifier les informations figurant dans le présent répertoire et à communiquer toute modification en rapport avec l'article 18 de la Convention unique sur les stupéfiants de 1961 et l'article 16 de la Convention sur les substances psychotropes de 1971 à l'Office des Nations Unies contre la drogue et le crime, Secrétariat des organes directeurs, Centre international de Vienne, B.P. 500, 1400 Vienne (Autriche) [Télécopieur: (+43-1) 26060-5885; Courriel: sgb@unodc.org].

## **Autorités nationales compétentes au titre de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988**

Le présent répertoire contient aussi une liste de toutes les autorités nationales habilitées à réglementer les précurseurs et les produits chimiques essentiels ou à leur appliquer des mesures de contrôle national, en application des dispositions de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988.

Cette liste est publiée en application de la résolution 1992/29 du Conseil économique et social en date du 30 juillet 1992. Elle est fondée sur les données communiquées par les gouvernements à l'Organe international de contrôle des stupéfiants (OICS).

Le Secrétaire général a envoyé à tous les États des notes verbales pour leur demander de lui communiquer le nom et l'adresse des autorités nationales habilitées à appliquer les dispositions de l'article 12 de la Convention de 1988. Les autorités dont le nom a été donné par les gouvernements en réponse à ces notes verbales sont indiquées telles quelles. Celles dont le nom est accompagné d'un astérisque (\*) sont celles qui font actuellement rapport à l'OICS, en application des dispositions du paragraphe 12 de l'article 12 de la Convention de 1988 mais qui n'ont pas été expressément citées par les gouvernements en réponse aux notes verbales.

S'il n'y a pas d'adresse pour un pays, un territoire ou une zone au titre de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988, il se peut que la liste des autorités nationales compétentes au titre de l'article 18 de la Convention unique sur les stupéfiants de 1961 et de l'article 16 de la Convention sur les substances psychotropes de 1971 contienne une adresse utilisable pour ce même pays, territoire ou zone. Des renseignements complémentaires peuvent aussi être demandés au secrétariat de l'OICS ou à des organismes internationaux compétents dont les noms et adresses figurent à la fin du présent répertoire.

Il est indispensable de connaître le rôle et les responsabilités respectifs de chaque autorité compétente en ce qui concerne l'application de mesures spécifiques de contrôle si l'on veut obtenir un échange rapide et efficace d'informations entre les gouvernements. Il convient de rappeler que le Conseil économique et social, dans sa résolution 1992/29, a invité "les États où sont fabriqués des précurseurs et des produits chimiques essentiels, ainsi que les États des régions où des stupéfiants et des substances psychotropes sont fabriqués illicitement, à établir des liens de coopération étroits afin d'empêcher le détournement de précurseurs et produits chimiques essentiels vers des circuits illicites". Le Conseil a en outre prié instamment les États exportant des produits chimiques essentiels pour la production illicite d'héroïne et de cocaïne de veiller à ce que les autorités compétentes de ces pays, lorsqu'elles examinent les demandes d'autorisation d'exportation, "prennent toutes les mesures qui peuvent raisonnablement être prises pour vérifier la légitimité des opérations et, selon qu'il convient, se consulter avec leurs homologues des pays importateurs". L'expérience montre que des contacts directs sont souvent le moyen le plus rapide de déceler et d'arrêter des transactions suspectes portant sur des substances inscrites aux Tableaux.

Les gouvernements sont invités à vérifier les informations au titre de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988 et à communiquer toute modification à l'Office des Nations Unies contre la drogue et le crime, Secrétariat de l'Organe international de contrôle des stupéfiants, Centre international de Vienne, B.P. 500, 1400 Vienne (Autriche) [Télécopieur: (+43-1) 26060-5867; courrier électronique: secretariat@incb.org].

## **Organismos nacionales competentes a los efectos del artículo 18 de la Convención Única de 1961 sobre Estupefacientes y del artículo 16 del Convenio sobre Sustancias Sicotrópicas de 1971**

En la presente guía figuran todos los organismos nacionales competentes que están facultados para emitir certificados y autorizaciones de importación y exportación de estupefacientes y sustancias sicotrópicas de conformidad con lo dispuesto en el artículo 18 de la Convención Única de 1961 sobre Estupefacientes y en el artículo 16 del Convenio sobre Sustancias Sicotrópicas de 1971.

Esa lista de los organismos nacionales se publica de conformidad con la Convención de 1961 y el Convenio de 1971. Con ella se sigue el sistema establecido tras la entrada en vigor de la Convención de 1931 para limitar la fabricación y reglamentar la distribución de estupefacientes, que pasó a estar bajo la égida de las Naciones Unidas a partir de la firma del Protocolo de enmienda de 1946. Su contenido se basa en los datos proporcionados al Secretario General, en los informes anuales sobre la aplicación de los tratados internacionales de fiscalización de drogas, tanto por los Estados que son parte en los tratados pertinentes como por los que no lo son.

Los organismos indicados a los efectos del artículo 18 están facultados para emitir autorizaciones de importación y exportación de estupefacientes solamente.

Los organismos indicados a los efectos del artículo 16 están facultados para emitir autorizaciones de importación y exportación de sustancias sicotrópicas solamente.

Los organismos indicados a los efectos de los artículos 18 y 16 están facultados para emitir autorizaciones de importación y exportación tanto de sustancias sicotrópicas como de estupefacientes.

La falta de cualquiera de esas indicaciones significa que el gobierno no ha comunicado el ámbito de competencia de los organismos respectivos.

Si en las partes de la presente publicación, en el lugar en que figuran los organismos nacionales competentes a los efectos del artículo 18 de la Convención Única de 1961 sobre Estupefacientes y del artículo 16 del Convenio sobre Sustancias Sicotrópicas de 1971, no se indica ninguna dirección para ponerse en contacto con un determinado país, territorio o zona, es posible que figure alguna dirección que pueda utilizarse para ese país, territorio o zona en la parte de la publicación donde figuran los organismos nacionales competentes a los efectos del artículo 12 de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988.

Se ruega a los gobiernos que examinen la información que figura en la presente guía y que comuniquen cualquier cambio con respecto al artículo 18 de la Convención Única de 1961 sobre Estupefacientes y el artículo 16 del Convenio sobre Sustancias Sicotrópicas de 1971 a la Oficina de las Naciones Unidas contra la Droga y el Delito, Secretaría de los Órganos Normativos, Vienna International Centre, P.O. Box 500, 1400 Vienna, Austria (fax: (+43-1) 26060-5885; correo electrónico: sgb@unodc.org).

## **Organismos nacionales competentes a los efectos del artículo 12 de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988**

En la presente guía figuran también todos los organismos nacionales competentes que están facultados para establecer o hacer cumplir normas nacionales para la fiscalización de precursores y de productos químicos esenciales de conformidad con lo dispuesto en el artículo 12 de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988.

Esa lista de organismos nacionales se publica de conformidad con la resolución 1992/29, de 30 de julio de 1992, del Consejo Económico y Social. Su contenido se basa en los datos proporcionados por los gobiernos a la Junta Internacional de Fiscalización de Estupefacientes (JIFE).

El Secretario General envió a todos los Estados unas notas verbales en las que solicitaba los nombres y direcciones de los organismos nacionales competentes que estaban facultados para cumplir lo dispuesto en el artículo 12 de la Convención de 1988. Los organismos nacionales mencionados por los gobiernos en sus respuestas a esas notas verbales figuran en la lista sin asterisco. Los organismos señalados con un asterisco (\*) son los organismos nacionales competentes que actualmente informan a la JIFE en virtud de lo dispuesto en el párrafo 12 del artículo 12 de la Convención de 1988 pero que no fueron mencionados expresamente por los gobiernos en sus respuestas a las notas verbales.

Si en la parte de la presente publicación, en el lugar en que figuran los organismos nacionales competentes a los efectos del artículo 12 de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988, no se indica ninguna dirección para ponerse en contacto con un determinado país, territorio o zona, es posible que figure alguna dirección que pueda utilizarse para ese país, territorio o zona en las partes de la presente publicación donde figuran los organismos nacionales competentes a los efectos del artículo 18 de la Convención Única de 1961 sobre Estupefacientes y del artículo 16 del Convenio sobre Sustancias Sicotrópicas de 1971. O bien, para más información, pueden dirigirse a la secretaría de la JIFE o a otros órganos internacionales competentes. Los nombres y direcciones de esos órganos internacionales figuran al final de esta guía.

Es indispensable conocer las funciones y cometidos confiados a cada organismo competente en relación con la aplicación de medidas de fiscalización específicas para que sea posible un intercambio de información rápido y eficaz entre los gobiernos. Debe recordarse que el Consejo Económico y Social, en su resolución 1992/29, invitó "a los Estados que fabrican precursores y productos químicos esenciales y a los Estados de regiones en las que se fabriquen ilícitamente estupefacientes y sustancias sicotrópicas a establecer una cooperación estrecha con el fin de prevenir la desviación de precursores y de productos químicos esenciales hacia canales ilícitos". Además, el Consejo instó a los Estados exportadores de sustancias químicas esenciales para la producción ilícita de heroína y cocaína, a asegurarse de que sus organismos competentes, cuando examinen las solicitudes de autorización de exportación, "tomen todas las medidas razonables para verificar el carácter legítimo de las transacciones, en consulta, cuando proceda, con las autoridades competentes de los países de importación". La experiencia enseña que el contacto directo, cuando procede, es a menudo el medio más rápido de identificar y detener las transacciones sospechosas relativas a sustancias enumeradas en las listas.

Se ruega a los gobiernos que examinen la información que figura a los efectos del artículo 12 de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988 y que comuniquen cualquier cambio a la Oficina de las Naciones Unidas contra la Droga y el Delito, Secretaría de la Junta Internacional de Fiscalización de Estupefacientes, Vienna International Centre, P.O. ## **Компетентные национальные органы, действующие на основании положений статьи 18 Единой конвенции о наркотических средствах 1961 года и статьи 16 Конвенции о психотропных веществах 1971 года**

В настоящем справочнике перечислены все компетентные национальные органы, уполномоченные выдавать свидетельства и разрешения на ввоз и вывоз наркотических средств и психотропных веществ в соответствии с положениями статьи 18 Единой конвенции о наркотических средствах 1961 года и статьи 16 Конвенции о психотропных веществах 1971 года.

Настоящий перечень национальных органов издается в соответствии с положениями Конвенций 1961 и 1971 годов. Таким образом, продолжается практика, установленная после вступления в силу Конвенции об ограничении и регламентации распределения наркотических средств 1931 года, которая в силу Протокола 1946 года о внесении поправок к данной Конвенции была включена в систему конвенций Организации Объединенных Наций. Этот перечень подготовлен на основе данных, представленных Генеральному секретарю в ежегодных докладах о применении международных договоров в области контроля над наркотиками государствами, как являющимися, так и не являющимися сторонами соответствующих договоров.

Органы, указанные в настоящем справочнике применительно к статье 18, уполномочены выдавать разрешения на ввоз и вывоз лишь наркотических средств.

Органы, указанные в настоящем справочнике применительно к статье 16, уполномочены выдавать разрешения на ввоз и вывоз лишь психотропных веществ.

Органы, указанные в настоящем справочнике применительно к статьям 18 и 16, уполномочены выдавать разрешения на ввоз и вывоз как наркотических средств, так и психотропных веществ.

Отсутствие ссылки в настоящем справочнике на какую-либо статью этих конвенций перед названием компетентного органа свидетельствует о том, что правительство не определило круг полномочий соответствующего органа.

Если контактный адрес по стране или району не включен в информацию о компетентных национальных органах, действующих на основании статьи 18 Единой конвенции о наркотических средствах 1961 года и статьи 16 Конвенции о психотропных веществах 1971 года, в настоящей публикации, то, возможно, контактный адрес по этой стране или району, которым можно воспользоваться, указан в информации о компетентных национальных органах, действующих на основании статьи 12 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года.

Правительствам предлагается рассмотреть информацию, содержащуюся в настоящем справочнике, и направить сообщения о любых изменениях, касающихся статьи 18 Единой конвенции о наркотических средствах 1961 года и статьи 16 Конвенции о психотропных веществах 1971 года, по адресу: United Nations Office on Drugs and Crime, Secretariat to the Governing Bodies, Vienna International Centre, P.O. Box 500, 1400 Vienna, Austria (факс: (+43-1) 26060-5885; адрес эл. почты: unodc-sgb@un.org).

**Компетентные национальные органы, действующие  
на основании положений статьи 12 Конвенции Организации Объединенных  
Наций о борьбе против незаконного оборота наркотических средств и  
психотропных веществ 1988 года**

В настоящем справочнике перечислены также все компетентные национальные органы, уполномоченные осуществлять регулирование или обеспечивать соблюдение национальных мер по контролю над прекурсорами и основными химическими веществами в соответствии с положениями статьи 12 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года.

Настоящий перечень национальных органов издается в соответствии с резолюцией 1992/29 Экономического и Социального Совета от 30 июля 1992 года. Он готовится на основе данных, представляемых правительствами Международному комитету по контролю над наркотиками (МККН).

Всем государствам были направлены вербальные ноты Генерального секретаря, в которых содержалась просьба сообщить названия и адреса компетентных национальных органов, уполномоченных осуществлять положения статьи 12 Конвенции 1988 года. Национальные органы, указанные правительствами в ответ на эти вербальные ноты, не помечены в представленном ниже перечне звездочкой (\*). С другой стороны, звездочкой (\*) отмечены компетентные национальные органы, которые в настоящее время представляют МККН информацию в соответствии с положениями пункта 12 статьи 12 Конвенции 1988 года, но которые не были прямо указаны правительствами в связи с вербальными нотами Генерального секретаря.

Если контактный адрес по стране или району не включен в информацию о компетентных национальных органах, действующих на основании статьи 12 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года в настоящей публикации, то, возможно, контактный адрес по этой стране или району, которым можно воспользоваться, указан в информации о компетентных национальных органах, действующих на основании статьи 18 Единой конвенции о наркотических средствах 1961 года и статьи 16 Конвенции о психотропных веществах 1971 года. За дополнительной информацией можно также обратиться в секретариат МККН или в другие компетентные международные органы. Названия и адреса таких международных органов приведены в конце настоящего справочника.

Для обеспечения быстрого и эффективного обмена информацией между правительствами крайне важно располагать данными о соответствующих функциях и обязанностях каждого компетентного органа в связи с осуществлением конкретных мер контроля. Следует напомнить, что в своей резолюции 1992/29 Экономический и Социальный Совет предложил "государствам, в которых изготавливаются прекурсоры и основные химические вещества, и государствам региона, в которых незаконно изготавливаются наркотические средства и психотропные вещества, установить тесное сотрудничество в целях предотвращения утечки прекурсоров и основных химических веществ в незаконные каналы". Совет далее настоятельно призвал страны, экспортирующие химические вещества, необходимые для незаконного производства героина и кокаина, обеспечить, чтобы компетентные органы при рассмотрении заявлений о предоставлении разрешений на экспорт "принимали разумные меры для проверки законного характера сделок в консультации, если это необходимо, со своими партнерами в импортирующих странах". Накопленный опыт свидетельствует о том, что установление в соответствующих случаях прямых контактов часто является средством наиболее оперативного выявления и пресечения подозрительных сделок в отношении веществ, находящихся под контролем.

Правительствам предлагается рассмотреть информацию по статье 12 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года и направить сообщения о любых изменениях по адресу: United Nations Office on Drugs and Crime, Secretariat of the International Narcotics Control Board, Vienna International Centre, P.O. 这份国家部门名单是依照《1961 年公约》和《1971 年公约》印发的，沿用了 1931 年《限制和管制麻醉品运销公约》生效后的成规，《1946 年议定书》对该公约修订后将其纳入联合国的管理范围。本名录的内容根据国际药物管制条约缔约国和非缔约国在各相关的国际药物管制条约运作情况年度报告中向秘书长提供的数据编制而成。

本名录在第 18 条下列出的部门只负责签发麻醉药品的进出口准许证。

本名录在第 16 条下列出的部门只负责签发精神药物进出口准许证。

本名录在第 18 条和第 16 条下列出的部门既负责签发麻醉药品的也负责签发精神药物的进出口准许证。

如果本出版物在 1961 年《麻醉品单一公约》第 18 条和 1971 年《精神药物公约》第 16 条的国家主管部门下未列出一国或地区的联系地址，也有可能在 1988 年《联合国禁止非法贩运麻醉药品和精神药物公约》第 16 条的国家主管部门下列有可以使用的该国或该地区的联系地址。

请各国政府审查本名录所载资料，关于 1961 年《麻醉品单一公约》第 18 条和 1971 年《精神药物公约》第 16 条方面，如有改动，请通知联合国毒品和犯罪问题办公室，收件地址：United Nations Office on Drugs and Crime, Secretariat to the Governing Bodies, Vienna International Centre, P.O. ## 1988 年《联合国禁止非法贩运麻醉药品和精神药物公约》 第 12 条的国家主管部门

本名录载列负责根据 1988 年《联合国禁止非法贩运麻醉药品和精神药物公约》第 12 条规定对前体和基本化学品实行监管或国家管制的所有国家主管部门。

这份国家部门名单是依照经济及社会理事会 1992 年 7 月 30 日第 1992/29 号决议印发的。其中内容根据各国政府向国际麻醉品管制局（麻管局）提供的数据编制。

秘书长曾向所有国家转递了普通照会，请各国提供负责执行《1988 年公约》第 12 条规定的国家主管部门的名称和地址。下列名单中没有星号的是各国政府在答复这些普通照会时所指明的国家部门。以星号(\*)标出的是目前根据《1988 年公约》第 12 条第 12 款规定向麻管局提出报告但各国政府在答复普通照会时未加明确指明的国家主管部门。

如果本出版物在 1988 年《联合国禁止非法贩运麻醉药品和精神药物公约》第 12 条下未列出某一国家或地区的联系地址，也可能在 1961 年《麻醉品单一公约》第 18 条和 1971 年《精神药物公约》第 16 条的国家主管部门下列有可以使用的该国或该地区的联系地址。否则，可以联系麻管局秘书处或其他国际主管机构，查询进一步详情。这些国际机构的名称和地址列在本名录后。

必须了解负责执行具体管制措施的每个主管部门的各自职能和职责，才有可能在各国民政府之间进行迅速而有效的信息交换。应当回顾，经济及社会理事会在其第 1992/29 号决议中，请“生产前体和基本化学品的国家及处于非法生产麻醉药品和精神药物的区域的国家建立密切合作关系，以防止前体和基本化学品转入非法渠道”。另外，经社理事会还促请海洛因和可卡因非法生产所需基本化学品的出口国确保主管部门在考虑出口准许证的申请时，“采取合理步骤，核实交易是否合法并酌情与进口国主管部门协商”。经验表明，酌情进行直接联系是发现和阻止涉及表列物品可疑交易的最迅捷手段。

请各国民政府审查 1988 年《联合国禁止非法贩运麻醉药品和精神药物公约》第 12 条下的资料，如有改动，请通知联合国毒品和犯罪问题办公室，收件地址：United Nations Office on Drugs and Crime, Secretariat of the International Narcotics Control Board, Vienna International Centre, P.O. Box 500, 1400 Vienna, Austria (传真号：(+43-1) 26060-5867；电子邮箱：[secretariat@incb.org](mailto:secretariat@incb.org) )。

**السلطات الوطنية المختصة بمقتضى المادة 18 من الاتفاقية  
الوحيدة للمخدرات لسنة 1961، والمادة 16 من اتفاقية  
المؤثرات العقلية لسنة 1971**

ترد في هذا الدليل قائمة بجميع السلطات الوطنية المختصة المخولة إصدار الشهادات والأذون الازمة لاستيراد وتصدير المخدرات والمؤثرات العقلية وفقاً لأحكام المادة 18 من الاتفاقية الوحيدة للمخدرات لسنة 1961، والمادة 16 من اتفاقية المؤثرات العقلية لسنة 1971.

وتصدر هذه القائمة بالسلطات الوطنية عملاً باتفاقية سنة 1961 وسنة 1971. وهي تتبع الممارسة التي استقرت بعد بدء نفاذ اتفاقية تحديد تصنيع المخدرات وتنظيم توزيعها لسنة 1931، التي وضع تحت رعاية الأمم المتحدة بموجب بروتوكول سنة 1946 المعدل لهذه الاتفاقية الأخيرة. وتستند محتويات القائمة إلى البيانات التي تقدمها إلى الأمين العام الدول الأطراف والدول غير الأطراف في المعاهدات الدولية لمراقبة المخدرات في تقاريرها عن سير هذه المعاهدات.

السلطات المشار إليها في هذا الدليل بمقتضى المادة 18 مخولة إصدار أذون استيراد وتصدير للمخدرات فقط.

والسلطات المشار إليها في هذا الدليل بمقتضى المادة 16 مخولة إصدار أذون استيراد وتصدير للمؤثرات العقلية فقط.

والسلطات المشار إليها في هذا الدليل بمقتضى المادتين 18 و 16 مخولة إصدار أذون استيراد وتصدير للمخدرات والمؤثرات العقلية على السواء.

وعدم وجود إشارة إلى أي مادة من مواد هاتين الاتفاقيتين قبل اسم السلطة في هذا الدليل يعني أن الحكومة لم تحدد نطاق تحويل تلك السلطة المعنية.

وإذا لم يكن لبلد أو إقليم عنوان اتصال مدرج في هذا المنشور في إطار السلطات الوطنية المختصة بمقتضى المادة 18 من الاتفاقية الوحيدة للمخدرات لسنة 1961 والمادة 16 من اتفاقية المؤثرات العقلية لسنة 1971، فإن من المحتمل أن يكون لذلك البلد أو الإقليم عنوان اتصال يمكن استخدامه مدرج في إطار السلطات الوطنية المختصة بمقتضى المادة 12 من اتفاقية الأمم المتحدة لمكافحة الاتجار غير المشروع في المخدرات والمؤثرات العقلية لسنة 1988.

ويرجى من الحكومات استعراض المعلومات الواردة في هذا الدليل وإبلاغ قسم دعم السياسات التابع لمكتب الأمم المتحدة المعنى بالمخدرات والجريمة بأية تغييرات تطرأ فيما يتعلق بالمادة 18 من الاتفاقية الوحيدة للمخدرات لسنة 1961 والمادة 16 من اتفاقية المؤثرات العقلية لسنة 1971، على العنوان التالي: United Nations Office on Drugs and Crime, Secretariat to the Governing Bodies, Vienna International Centre, P.O Box 500, 1400 Vienna, Austria .(الفاكس: 26060-5885; البريد الإلكتروني: unodc-sgb@un.org)

# **السلطات الوطنية المختصة بمقتضى المادة 12 من اتفاقية الأمم المتحدة لمكافحة الاتجار غير المشروع في المخدرات والمؤثرات العقلية لسنة 1988**

ترد في هذا الدليل أيضا قائمة بجميع السلطات الوطنية المختصة المخولة تنظيم أو إنفاذ الضوابط الرقابية الوطنية على السلاائف والكيماويات الأساسية وفقا لأحكام المادة 12 من اتفاقية الأمم المتحدة لمكافحة الاتجار غير المشروع في المخدرات والمؤثرات العقلية لسنة 1988.

وتتصدر قائمة السلطات الوطنية عملا بقرار المجلس الاقتصادي والاجتماعي 1992/29 المؤرخ 30 نووز يوليه 1992. وتستند محتويات القائمة إلى البيانات التي تقدمها الحكومات إلى الهيئة الدولية لمراقبة المخدرات.

وقد أرسل الأمين العام مذكرات شفوية إلى جميع الدول طالبا أسماء وعنوانين السلطات الوطنية المختصة المخولة تنفيذ أحكام المادة 12 من اتفاقية سنة 1988. وترد تسميات السلطات الوطنية التي بيّنتها الحكومات ردا على تلك المذكرات الشفوية في القائمة بدون علامة نجمية (\*). أما السلطات المؤشر عليها بعلامة نجمية، فهي السلطات الوطنية المختصة التي تقدم حاليا تقارير إلى الهيئة الدولية لمراقبة المخدرات بمقتضى أحكام الفقرة 12 من المادة 12 من اتفاقية سنة 1988 ولكن الحكومات لم تحددها صراحة في ردودها على المذكرات الشفوية.

وإذا لم يكن بلد أو إقليم عنوان اتصال مدرج في هذا المنشور في إطار السلطات الوطنية المختصة بمقتضى المادة 12 من اتفاقية الأمم المتحدة لمكافحة الاتجار غير المشروع في المخدرات والمؤثرات العقلية لسنة 1988، فإن من المحتمل أن يكون لذلك البلد أو الإقليم عنوان اتصال يمكن استخدامه مدرج في إطار السلطات الوطنية المختصة بمقتضى المادة 18 من الاتفاقية الوحيدة للمخدرات لسنة 1961 وبمقتضى المادة 16 من اتفاقية المؤثرات العقلية لسنة 1971. وك الخيار بدليل يمكن الاتصال بأمانة الهيئة الدولية لمراقبة المخدرات أو غيرها من الهيئات الدولية المختصة للحصول على المزيد من المعلومات. وترد أسماء وعنوانين تلك الهيئات الدولية في نهاية هذا الدليل.

ومن الضروري معرفة الأدوار والمسؤوليات المعهود بها إلى كل من السلطات المختصة فيما يتعلق بتنفيذ تدابير رقابية محددة حتى ينisser تبادل المعلومات بين الحكومات بسرعة وفعالية. ويجد التذكير بأن المجلس الاقتصادي والاجتماعي دعا في قراره 29/1992 "الدول التي تصنّع فيها السلاائف والكيماويات الأساسية، ودول المنطقة التي تصنّع فيها المخدرات والمؤثرات العقلية على نحو غير مشروع، إلى أن تتعاون تعاونا وثيقا على منع تسريب السلاائف والكيماويات الأساسية إلى القنوات غير المشروع". وعلاوة على ذلك، حث المجلس الدول التي تصدير كيماويات أساسية لإنتاج المهربين والكوكايين على نحو غير مشروع على أن تضمن أن تقوم السلطات المختصة فيها، عند النظر في طلبات أذون التصدير، "باتخاذ تدابير معقولة للتحقق من مشروعية الصفقات، وعند الاقتضاء، بالتشاور في هذا الصدد مع السلطات المختصة في البلدان المستوردة". وقد تبيّن أن الاتصال المباشر، عند الاقتضاء، كثيرا ما يكون أسرع الوسائل لاستبانته ووقف الصفقات المشبوهة المشتملة على مواد مدرجة بالجدال.

ويرجى من الحكومات استعراض المعلومات فيما يتعلق بالمادة 12 من اتفاقية الأمم المتحدة لمكافحة الاتجار غير المشروع في المخدرات والمؤثرات العقلية لسنة 1988 وإبلاغ مكتب الأمم المتحدة المعنى بالمخدرات والجريمة بأية تغييرات تطرأ عليها، على العنوان التالي: United Nations Office on Drugs and Crime, Secretariat of the International Narcotics Control Board, Vienna International Centre, P.O.
