15H What is a controlled operation?

A *controlled operation* is an operation that:

- (a) involves the participation of law enforcement officers; and
- (b) is carried out for the purpose of obtaining evidence that may lead to the prosecution of a person for a serious Commonwealth offence; and
- (c) may involve a law enforcement officer or other person in acts, or omissions to act, that would, apart from subsection 15I(1) or (3), constitute a Commonwealth offence or an offence against a law of a State or Territory.

15HA Meaning of *engage in conduct etc.*

In this Part:

- (a) a reference to engaging in conduct includes a reference to omitting to act; and
- (b) a reference to a person's conduct includes a reference to the person's omissions.

15HB What is a *serious Commonwealth offence*?

For the purposes of this Part, *serious Commonwealth offence* means an offence against a law of the Commonwealth:

- (a) that involves theft, fraud, tax evasion, currency violations, illegal drug dealings, illegal gambling, obtaining financial benefit by vice engaged in by others, extortion, money laundering, perverting the course of justice, bribery or corruption of, or by, an officer of the Commonwealth, an officer of a State or an officer of a Territory, bankruptcy and company violations, harbouring of criminals, forgery including forging of passports, armament dealings, illegal importation or exportation of fauna into or out of Australia, espionage, sabotage or threats to national security, misuse of a computer or electronic communications, people smuggling, slavery, piracy, the organisation, financing or perpetration of sexual servitude or child sex tourism, dealings in child pornography or material depicting child abuse, importation of prohibited imports or exportation of prohibited exports, or that involves matters of the same general nature as one or more of the foregoing or that is of any other prescribed kind; and
- (b) that is punishable on conviction by imprisonment for a period of 3 years or more.

15I Law enforcement officers etc. not liable for offences committed for purposes of authorised controlled operation

- (1) A law enforcement officer who engages in conduct that, apart from this subsection, would constitute a Commonwealth offence or an offence against a law of a State or Territory is not criminally responsible for that offence if:
 - (a) he or she engages in that conduct in the course of duty for the purposes of a controlled operation; and
 - (b) the conduct meets the requirements of subsection 15IB(1).

- (2) A person who is not a law enforcement officer and who engages in conduct that, apart from this subsection, would constitute a Commonwealth offence or an offence against a law of a State or Territory is not criminally responsible for that offence if:

 - (b) a law enforcement officer has authorised the person to engage in that conduct; and
 - (c) the conduct meets the requirements of subsection 15IB(2).
- (2A) Subsection (2) does not apply to a person who:
- (a) is an informant of a law enforcement officer; or
 - (b) is believed to have been involved, other than for law enforcement purposes, in the criminal activity in respect of which the controlled operation was authorised.
- (3) The fact that, because of subsection (1) or (2), a person whose conduct is covered by a certificate given under section 15M is not criminally responsible for an offence does not affect the liability, for that offence or any other offence, of any person whose conduct is not covered by the certificate.
- (4) Subsection (3) applies despite any provision of Chapter 2 of the *Criminal Code* to the contrary.
- (5) If:
- (a) the importation of goods of a particular kind into Australia is an offence against a law of the Commonwealth; and
 - (b) a person imports goods of that kind into Australia; and
 - (c) because of this section, that person is not liable for an offence against that law in respect of the importation; and
 - (d) that law provides for another consequence, other than that person's criminal liability, to arise from the importation (for example, forfeiture of the goods);
- this section does not prevent that consequence from arising under that law.
- (6) For the purposes of this section, a member of a police force or other law enforcement agency of a foreign country is taken to be acting in the course of duty to the extent that he or she takes part in the controlled operation in accordance with the instructions given by an Australian law enforcement officer.
-

15IA Indemnification of law enforcement officers etc.

- (3) For the purposes of this section, a member of a police force or other law enforcement agency of a foreign country is taken to be acting in the course of duty to the extent that he or she takes part in the controlled operation in accordance with the instructions given by an Australian law enforcement officer.

 - (d) the conduct does not breach any conditions to which the certificate is subject; and

Division 4—Special facilities for child witnesses to give evidence

15YI Closed-circuit television

- (1) A child witness' evidence in a proceeding must be given by means of closed-circuit television unless:

 - (b) the court orders that the child is not to give evidence by that means; or
 - (c) the court is not equipped with facilities for evidence to be given by means of closed-circuit television.

Note: Section 15YL provides for alternative arrangements if a child witness does not give evidence by means of closed-circuit television.

- (3) This section does not affect the operation of any law in relation to the competence of a person to give evidence.

15YJ Giving evidence by closed-circuit television

- (a) that location is taken to be part of the courtroom in which the proceeding is being held; and

 - (ii) to assist the child with any difficulty in giving evidence associated with a disability; or
 - (iii) to provide the child with other support.
- (2) An order under paragraph (1)(b) or (c) does not limit the operation of section 15YM.
- (3) The court may adjourn the proceeding, or a part of the proceeding, to a court or other place that is equipped with facilities for evidence to be given by means of closed-circuit television if:
- (a) the court is not equipped with facilities for evidence to be given by means of closed-circuit television; or
 - (b) the court otherwise considers it appropriate to do so.

15YK Viewing evidence given by closed-circuit television

If the child witness' evidence is given by means of closed-circuit television, the facilities used are to be operated in such a way that the people who have an interest in the proceeding can see the child, and any person present with the child, on one or more television monitors.

15YL Alternative arrangements for giving evidence

- (1) If a child witness' evidence in a proceeding is not to be given by means of closed-circuit television, the court:

 - (b) must not be determined before the court has considered such submissions and other evidence as it thinks necessary for determining the application.

Note: Division 4 provides for this evidence to be given using closed-circuit television or other arrangements.

15YN Admissibility of evidence given using video recordings

- (1) The admissibility of the evidence given by video recording is not affected by the fact that it is evidence of previous representations that the child witness made in the interview that was being recorded.
- (2) Evidence given by video recording under section 15YM is not admissible if the court is satisfied that:
 - (a) any defendant in the proceeding (other than the child witness if the child is a defendant); or
 - (b) the defendant's lawyer (if any);was not given a reasonable opportunity to listen to and view the recording.
